# LEAN Overview Session

Providing LEAN solutions today for your business future tomorrow

## Sign up Today & Receive a Free 4-hour Assessment

### Assessment Purpose

Determine the strengths & weaknesses of your organization.  
10 key elements are scored and plotted on a radar chart.  
Action plans are developed based on the scoring.  
Emphasis is placed on the greatest area of opportunity.

### Deliverables

Executive summary  
Interview results  
Graphical view of your organization vs. world-class  
Recommendations and call to action

*"Our goal was to identify and address waste beyond the low hanging fruit.  
We met our goal and also helped change the culture, getting  
buy-in to the entire LEAN process."*

- Jerry, Quality/ITS, National Consumer Products Company

*"We successfully used Workforce Economics' LEAN team to help us identify areas where  
LEAN tools and techniques benefit our institution. "*

- Brad, President of a Local Financial Institution
